Dynamo Dykes – Statement of support

I would like to congratulate Dynamo Dykes on its fifteenth birthday. Established in London, Dynamo Dykes is the only volleyball club for lesbian women in the UK.

I am proud that London is a city that celebrates its diversity and celebrates its lesbian and gay heritage and culture.

Sporting organisations like Dynamo Dykes unite communities, break down stereotypes, and open up sporting opportunities for lesbian Londoners.

I wish you the best of luck for the future. Enjoy the party.
